WEATHER PROBABILITIES.—For this section fair tonight. Wednesday partly cloudy; continued warm; fresh to brisk westerly winds.

Returned to Work.

Twenty-three of the striking drivers of the New Washington Brick Company in the county returned to work yesterday on the old terms. Twelve of the number the company did not want and they were refused work. The men went to President T. L. Holbrook and asked to be taken back. The president agreed to take them if they would sign a letter repudiating their action in striking and agreeing to make terms with the company as individuals. It has been stated that the drivers of the brick company were influenced by the members of the Bricklayers' Union of Washington, who have made an agreement with the Master Bricklayers' Association by which they will receive increased wages. It is said that a meeting of the general contractors and builders is to be held this week to protest against the agreement reached between the bricklayers and the union workmen of Washington. It is claimed that this was made with the intention to take unfair advantage of the present increased demand for labor on account of the great amount of construction work going on in the District of Columbia. The union men hold that the cost of living has increased so much that it is only fair they should receive more money for their work.

Episcopal High School.

The following boys were distinguished in all their March examinations at the Episcopal High School, near Alexandria: George M. Anderson, of New Jersey; Joseph H. Bowen, of W. Virginia; Basil K. Conway, of Mississippi; Angus B. Echols, of University of Virginia; J. Gynn Gough, of Maryland; Kent B. Hall, of W. Virginia; Garland S. Hopkins, of Petersburg; Beaudrie L. Howell, of Alexandria; Richard P. Johnson, of Maryland; Richard P. Jones, of Mississippi; Theodore T. Kennedy, of New York; H. Augustine Latane, of Westmoreland Co.; William J. Mann, Jr., of Fauquier Co.; Robert K. Massie, Jr., of Theological Seminary; John Y. McDonald, of W. Virginia; Farrell D. Minor, Jr., of Texas; Talbot T. Pendleton, of West Virginia; Charles C. Randolph, Jr., of Campbell Co.; A. Rives Seamon, of Charlottesville; H. Laurie Smith, Jr., of W. Virginia; George P. Swift, of Georgia; Walter H. Taylor, IV., of Norfolk; Francis F. Whittle, of Petersburg; and Robert L. Whittle, of Petersburg.

The Ferry.

The Norfolk and Washington Steamboat Company will it is again said have control of ferry line between Washington and Alexandria, and it is now stated that traffic will be resumed at an early day. Two boats are to be built for the ferry which will be capable of making the trip between the two cities in twenty minutes, and arrangements have been made for issuing to passengers tickets from Alexandria with street car coupons attached, entitling them to a continuous ride over the Washington Railway and Electric Company lines to and from places of business in Washington. The officers of the new company are endeavoring to secure boats to run on the route until two new iron steamers shall have been constructed for the line. Plans have been prepared for the same and they will be ready for service in about four months. It is said by those connected with the company that boats will be chartered and the line opened in about two weeks.

Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning: A white man, arrested by Officer Allen for disorderly conduct, was dismissed. Robert Reedes, colored, arrested by Officer Allen for obstructing a street, was fined \$1. Rufus Robinson and Wm. Pre arrested by Officer Knight charged with fighting, were fined \$5 each. Harrie Robinson and Wm. Whalen, arrested by Officers Smith and Gill suspected of robbing railway cars, had his case continued. Ernest Sullivan, arrested by Special Officer Latham charged with stealing from the Southern Railway Co., was dismissed.

Suspected of Robbing Cars.

On Sunday night several freight cars of the Washington Southern Railway were broken open and robbed a short distance north of this city. The robbers succeeded in making their escape after discharging pistols at the train crew who surprised them.

Several cars of the Washington Southern Railway were broken open and robbed at Franconia last night. Harrie Robinson, of this city, was arrested in the vicinity and brought to this city this morning on suspicion of being a party to the robbery. He was turned over to Officers Smith and Gill, and later the first-named and Special Officer Latham arrested William Whalen, who is also suspected of participating in the robbery.

The Elks.

The annual meeting of Alexandria Lodge, No. 758, Benevolent Protective Order of Elks, was held last night at the hall on the corner of Prince and Royal streets. Past Exalted Ruler Edward Quinn presided, and the following officers were elected: Exalted Ruler, W. H. P. Kelly; Leading Knight, Louis P. Shuman; Leading Loyal Knight, Harry Fleischmann; Lecturing Knight, Frederick P. Russell; Secretary, G. T. Caton; Treasurer, Charles J. Geisendaffer; Tyler, Thomas Downey; Trustee, Dr. William M. Smith; representative to the Grand Lodge, which will meet in Buffalo this year, Past Exalted Ruler Charles C. Carlin, and alternate, Past Exalted Ruler Jacob Brill.

Gamblers Fined.

Alexandria county officers arrested about two hundred persons in a house at Jackson City on Sunday on suspicion of gambling. Many of the prisoners were women, and were released, but the colored women were held. They were held at the county house, and each fined \$2.50.

To Be Transferred.

Capt. J. V. Davis, who has spent more than half of his life as superintendent of the National Cemetery in this city, will in a few days' time relinquish his position and take charge of the National Cemetery at Antietam. He will be succeeded by Mr. Reeves, who will be sent here from Arlington. Mr. J. M. Bryant, who has been stationed at Antietam, will be transferred to Annapolis, Md. While every man, woman and child in Alexandria who is acquainted with Captain Davis (and that means the bulk of the population) would under ordinary circumstances rejoice with him in his promotion to the superintendency of a first-class cemetery, they will, however, one and all, regret to read this announcement for divers and sundry reasons. During the third of a century Captain Davis has been here he has formed friendships which will stand the test of time. Less than one year ago the captain, it will be remembered, was ordered to Antietam, but later notified to remain at his post in this city. The countermanding of the order was a relief to his many friends, and the latest action of the Quarter-master General, while actuated by the best motive, is regretted by all classes in Alexandria. Should the order be final and Captain Davis be sent from our midst he will leave for his new post with the best wishes of all who know him.

Suits.

Dr. E. A. Gorman has entered suit in the Corporation Court against the Southern Railway for \$2,000 for damages for injuries alleged to have been sustained by the plaintiff and for the loss of a horse which was struck and killed by an engine of the defendant company at the corner of Henry and King streets last summer. It will be remembered that Dr. Gorman was driving along the street at the time when his horse was struck and the doctor thrown from his buggy.

The Bell-Pre Glass Company has entered suit against the Southern Railway Company for \$2,000 for damages alleged for the killing of a horse and the demolition of a wagon and its contents belonging to the plaintiff May 19, 1904, when G. C. Hainsborough was killed by an engine of the defendant company while crossing the railroad track near the glass works.

Mr. Chas. H. Wells, living at No. 509 south Lee street, has entered suit against the W. A. & Mt. V. R. W. Co. for \$10,000 damages for injuries sustained by the recent accident at Spring Park. Messrs. Machen & Moncre are his attorneys.

Death of Mrs. Emerson.

Mrs. Virginia Emerson, widow of Riley Emerson, died this morning at her residence in Washington after a short illness, aged 78 years. Mrs. Emerson was a justly esteemed resident of this city where she had lived most of her life and where she has a large circle of relatives and friends. For some time she had held a position in the Postoffice Department in Washington and during the past few years had spent her winters in that city. On Wednesday last while at her desk she was taken suddenly ill and though she rallied at times, giving her friends hope of her recovery, the end came shortly after midnight, this morning. Her remains will be brought to this city for interment.

The Fishery.

The advent of the fishing season is still patiently awaited, and while the weather is favorable and a few shad and herring have appeared in the river, the fishermen are still despondent. Some shad and herring have been caught at Quantico and Holland Point, but in very small quantities. Prices are practically unchanged. Fishtown has been ready for several days past to receive the catch. The dock has been dredged, the platforms laid out and the houses put in order for the spring packing.

The Cemeteries.

The cemeteries in the western suburbs have been cleared up in such a manner lately as to elicit the most flattering mention of both the oldest inhabitant and the stranger within our gates. The handsome iron fence enclosing the old Presbyterian grounds makes a wonderful change in the general aspect of things out there. Captain J. V. Davis, in charge of the national soldiers' cemetery, says that he will have his grounds in proper condition within a week or two.

Death of a Former Alexandrian.

Mrs. J. Albert Slaughter died in Galveston, Texas, on the 19th instant. Her early childhood was passed in Alexandria, her father, Col. David Funsten being a prominent lawyer here, and who after the civil war removed to Seminary Hill. There are many who will remember the deceased as a very lovely and attractive young lady. After their marriage Mr. and Mrs. Slaughter went to Texas where the former still resides.

Graphophone Stolen.

A graphophone belonging to Justice Burrell, of Alexandria county, was stolen from his residence a day or two ago. The theft was reported to the police station in this city and Officer Roberts and Constable Cornell of the county succeeded in obtaining information which led them to believe that a certain well-known individual had stolen the graphophone. The suspected man has suddenly vanished.

Harness Stolen.

A quantity of harness was stolen from Mr. Peter Harrington's stable on north Washington street last Saturday night. Officer Knight yesterday arrested two colored men who formerly worked at the stable whom he suspected of stealing the harness, as they had quit their work at the time the property was missed. They were, however, dismissed in the Police Court, as there was no evidence against them.

Corporation Court.

[Judge L. C. Barley presiding.] City Council vs. unknown heirs of F. M. McDonough; same vs. unknown heirs of Samuel Thomas and same vs. R. Le Grand Johnson et al.; decrees confirming reports of H. N. Garner and appointing G. L. Boothe commissioner of sale.

Benefit Paid.

Mrs. Mordecai Hurst was today paid by George Masin Council, Royal Arcanum, \$2,000, the amount of benefit held in that order by her husband, who was recently killed by being struck by an engine in the railroad yard just west of this city.

Death of Miss Mildred Lee.

Miss Mildred Lee, the youngest daughter of Gen. Robert E. Lee, died at New Orleans last night at the home of Mrs. William Preston Johnston, whom she was visiting. Yesterday morning Miss Lee was apparently in the best of health, but later in the day she was stricken with paralysis and grew rapidly worse till the end came. Miss Lee went to New Orleans about three weeks ago. For many years she had spent most of her time in travel. She was greatly beloved by all the Confederate veterans, and had taken a prominent part in many of their reunions. The deceased leaves two brothers—Gen. G. W. C. Lee, now living at Ravensworth, Fairfax county, and Capt. R. E. Lee, of King William county, and one sister, Miss Mary Custis Lee, who is now in Europe. The remains will be brought to Virginia for interment, but up to 3 o'clock this evening the arrangements for the funeral had not been completed.

Fires.

The alarm of fire this afternoon was caused by the partial burning of a stable in the square bounded by Royal, Pitt, Duke and Wolfe streets. The department responded and soon subdued the flames. The second alarm was caused by the partial burning of the roof of a frame house on the north side of Duke street, near Royal. The damage was slight.

A frame house south of the Armour ice house, a short distance southeast of this city, was destroyed by fire this afternoon.

Property Sale.

Mr. S. H. Lunt sold at auction today for Walter U. Varney, trustee, a lot of ground 23x123 on the east side of Fayette street between King and Cameron, with all appurtenances, to Mrs. Buena Vista Kuhn for \$875 cash.
